About the Association

The idea of forming the Insurance Law Association in Singapore was first mooted in 1997 by Mr Stanley Jeremiah, formerly a lawyer who became the Association's first president. Members of the Association are mainly from the insurance, broking, adjusting and legal firms.

The objectives of the Association are:

1. To consider and discuss matters of general interests arising out of the law of Singapore and of such other countries as the Association may from time to time think desirable, insofar as they affect any branch of insurance.
2. To hear and discuss papers dealing with insurance law problems of Singapore and other countries.
3. To take such action as may be thought desirable by the Association to further its aims and objects, including but not limited to:
 - collaborating with existing associations or bodies connected with insurance;
 - forming ad hoc committees or other groups for the purpose of preparing or considering reports or papers on such specific matters of law and practice as require detailed study.

The Association's registered office is at: No. 5 Shenton Way
#33-01 UIC Building Singapore 068808
Email: admin@crawford.com.sg

Over the years, the Association has produced a series of newsletters and organised seminars, workshops and conferences on subjects relating to changes in Singapore laws insofar as they affect the insurance industry.

The Association is affiliated to the Association International De Droit Des Assurance (AIDA), London, UK which has chapters in many countries. AIDA chapters in the Asia Pacific are in: -
